LETTER OF RECOMMENDATION

I am pleased to give this letter of recommendation in favour of Mr. Prathap Selvakumar for Master's program at your university. I have known him for over three years in my capacity as his teacher for the subject Operating Systems during his fourth semester and guiding him in his project "Chatbot for Social Media". I found him as a student who was always eager to learn new things, and he is Industrious.

Prathap grasps concepts quickly and is adaptable and responsive to any situation. Throughout his course of study, he has displayed considerable interest in technology and practical learning. He loved challenges and was always willing to push his limits. He is highly motivated with vast appetite for learning.

Throughout the project, Prathap consistently showcased a deep understanding of the subject matter and an ability to apply theoretical knowledge to real-world scenarios. His engagement in building the project to impact real-world problem illustrates his proactive attitude and willingness to extend his learning beyond the classroom.

He is determined, has tremendous willpower, and seizes opportunities. He can effectively manage time and work meticulously. He has shown interest in pursuing further education and I truly believe he has the technical skills, creativity, and strength of character to become a competent engineer. On a personal basis, he is warm and polite, treating others with utmost respect.

He possesses the aptitude to acquire knowledge of the latest technological developments and has a flair for postgraduate studies. Hence, I recommend him for his field of choice at your esteemed University.

I wish him the very best in future endeavours.

Sincerely,

Mrs. Sridevi S.,M.Tech.,(Ph.D)
Assistant Professor
Department of Computer Science and Engineering
SRM Institute of Science and Technology
Ramapuram, Chennai, India
